Calgarians please help

The City is asking residents to get ready as city-wide water restrictions are set to begin Wednesday, Nov. 4. The restrictions are needed while crews connect the new Bearspaw South Feeder Main to the City water system, one of the final steps before the new pipe is complete. The work and restrictions are expected to last approximately four weeks.

Calgarians, and neighbours in Airdrie, Chestermere, Strathmore and Tsuut'ina Nation are asked to help reduce water use by:

- **Running dishwashers and washing machines only with full loads.**
- **Flushing toilets only when required.**
- **Taking shorter showers,** aiming for three minutes or less
- **Limit laundry if possible .**
